POLICY
to minimize the use of disposable items

Moscow
2020

1. GENERAL TERMS

1.1. This policy has been developed for implementation at the Moscow State University of Food Production (hereinafter - MSUFP, the University).

1.2. The University takes responsibility to reduce the use of disposable items on campuses.

1.3. The university has developed a set of measures aimed at minimizing disposable items.

2. SET OF MEASURES

2.1. The University intends to reduce the use of disposable tableware.

2.2. The University takes the responsibility for providing students, employees, and guests with reusable tableware for use at food outlets.

2.3. Disposable tableware should be used only if requested by the buyer.

2.3. Provision of disposable devices, straws, bag packing, etc. should only be done at the buyer's request.

2.4. The University supports the use of reusable tableware by users of food outlets (thermal mugs, reusable containers, etc.).

2.4. The University takes the responsibility for reducing the use of paper napkins.

2.5. The University intends to make a transition to separate waste collection at food outlets and provide an opportunity to carry out separate collection throughout the university for students and staff.

2.6. The University undertakes to reduce the use of plastic and packaging in general in the development of branded and promotional products.

2.7. The University undertakes to reduce the use of disposable, non-renewable and unrecyclable subjects such as balloons, scotch, etc. during the events.

2.8. The University intends to reduce the use of paper postcards and replace them with electronic ones.

2.9. The University intends to reduce the use of paper letters and replace them with electronic ones.
